## SAFETY NOTICE

LEGO® Batman Movie Prestige Costume  
Only for Date Code 2606EF01

JAKKS Pacific (UK) Ltd. takes safety very seriously and is taking the precautionary step of voluntarily recalling approximately 340 pieces of LEGO® Batman Movie Prestige costumes because the material does not meet applicable EU fire safety standards. The items were distributed only in the United Kingdom. No incidents have been reported.

The recall is for approximately 340 pieces of LEGO® Batman Movie Prestige costumes with **Date Code 2606EF01** printed on the front of the sewn label (located in the rear neckline) under the barcode. Only costume style numbers 23742G (Size L, 10-12), 23742K (Size M, 7-8) & 23742L (Size S, 4-6) with Date Code 2606EF01 are affected. *No other LEGO® Batman Movie costumes or any other LEGO® branded costumes are affected by this recall.*
